

Dear Residents of Elton

Elton Parish Council would like to wish everyone who lives, works and visits Elton a Merry Christmas and a very Happy New year.

Parish Councillors have been busy to make Elton a better place to live in by improving the look of the village.

The Parish Council has helped the scouts with financial assistance to set up and undertake the Annual Firework Display which was well attended. Scout Hut Lane has been improved by new lighting and cutting back the hedges along the lane.

A lot of unseen maintenance work regarding the drains for the Community Centre, Doctor's surgery and the Scout Hut has also been completed. The repairs and upgrades were undertaken to ensure the Health and Safety of the people of Elton. The children's play area is in the process of being updated.

The Parish Council would like to thank the vicar Rev Ruth Ackroyd, Parish Councillors, Scouts, Elton School and everyone who attended the unveiling of the WW1 Memorial Plaque and the wreath laying on Remembrance Sunday. This was a special day for many people from Elton and the surrounding area.

The Christmas tree and the lights Grand Switch on was well attended and we have had very positive feedback and suggestions for next year. A big thank you to ESSAR and to all the local shops for their generous support of the event. Thanks also to the Scouts and Carol singers for their participation in the event and the work of Parish Councillors.

The planters including the two new ones placed by the WW1 Centenary Memorial Plaque have been updated with new winter pansies to help add some colour to the village during the winter months.

Two new Elton Village signs have been ordered by Cheshire West and Chester Authority and financed by Encirc to further enhance the appearance of the village.

Many of you have received a survey asking you for your views on the future plans for the Parish Council's Field. Please fill in the survey so that the Parish Council knows what facilities the residents of Elton would like to be provided in the future.

The Parish Council's New Website is up and running along with a Facebook page and new email addresses for the councillors and Parish Clerk. The new Parish Clerk and each Parish Councillor can be contacted by their new Parish email addresses. The email addresses are available on the new Parish website.

Finally, on behalf of the Parish Council may I wish everyone a Merry Christmas and a Happy New Year.

Kind Regards

Maureen Wilson. Chairwoman of Elton Parish Council
