

Elton Parish Council would like to thank everyone who attended the switch on of The Elton Village Christmas Lights Display on Saturday 1st December 2018.

The response from people has been tremendous, we are delighted that you all appreciate the Christmas Lights Display. Everyone enjoyed the food and drink supplied free by our local shops and the free soup supplied by the Elton Scouts and Guides.

With your help we will endeavour to make the Christmas Lights Display better with each passing year. The village can continue to enjoy the Christmas Lights Display until 5th January 2019.

Everyone from Elton would like to thank the following:
