19.149 DOG PARK BOUNDARY FENCE

Cllr Lockhart described the issues that the proposed works would rectify in order to secure the dog park boundary fence, which would ensure the safety of the dogs.

Cllr Lockhart had spoken with the contractor and he has agreed that whilst carrying out the works he will remove the internal gate between the dog park and the extension. He will, at a later date (to be agreed), return to remove the middle fence and this would be done at no extra cost.

Cllr Lockhart proposed to instruct the contractor to carry out the works and Cllr Williams seconded. Following a unanimous vote the resolution was carried.
