The Chair referred to the recommendations of the Finance Working Group meeting held on 20 January 2020. The overall day to day expenditure for the year is £39,000 per annum and this didn't take into account the planned projects for 2020/21. It was acknowledged that the Christmas Lights were an integral part of the uplifting feeling within the Village and these should continue. It was proposed by Cllr Leith and seconded by Cllr Canham that the Parish Council accept the recommendations made by the Finance Working Group should be accepted and this was resolved unanimously. Councillors agreed that a cap on funds from the Parish Council for any future works on the Jubilee Field should be imposed. If any future works required on the Jubilee Field exceeded this amount, then it would be expected that the Jubilee Field Committee would obtain grants/funding from other sources.

The Clerk will submit the necessary paperwork to Cheshire West & Chester Council in relation to the Precept.

The Chair requested that members of the public leave before the commencement of Part 2
