21.181 DECLARATIONS OF INTEREST

There were no declarations of interest.

21.182 BONFIRE NIGHT

It was proposed by Cllr Canham and seconded by Cllr Williams to allow the Scouts to hold a Bonfire Night celebration on the Parish Field, it was resolved unanimously. It was asked that the Scouts do not advertise the event for visitors from outside the Village due to Covid. The Chair will ask about silent fireworks and see if the Scouts would consider this as an option. Councillors agreed that they would like the bonfire event to be advertised around the Village so that there is a good attendance and also for pet owners to know beforehand so that they can help their pets with the noise.

It was proposed by Cllr O'Reilly and seconded by Cllr Canham for the Parish Council to donate £500 (as in previous years) and this was resolved unanimously.

21.183 JUBILEE FIELD

The use of the Jubilee Field and signage was discussed. It was agreed that signage should show that all dogs should be on a leash and cleaned up after should they foul on the field. It was unanimous that all dogs were to be on a leash on the field.

It was agreed that 2 signs would be needed, one with the necessary information regarding respect for the Jubilee Field, keep dogs under control at all times, pick up after your dog and underneath the instruction to have the words "Elton Parish Council". The second sign to be more decorative, carrying information regarding the field and how it came to be. Also would like to have it similar to the signs near the marshes. It was proposed by Cllr Williams and seconded by Cllr Lockhart.

Cllr O'Reilly will speak to Protos to see if they will fund the board along with some benches.
